The Honorable Naim Bajrami
Minister of Information Society and Administration
Government of North Macedonia

Dear Minister Bajrami,

I'm writing to express our appreciation for the Government of North Macedonia's participation in the Open Government Partnership (OGP), a global initiative encompassing 76 countries and 106 local governments dedicated to advancing transparency, accountability, and citizen engagement in policy making.

Central to participation in OGP is the co-creation of an action plan by each member government, outlining specific open government reforms consistent with OGP Participation and Co-Creation standards.

As the delivery of your latest Action Plan did not meet the 31 December 2023 deadline set for all members, the Government of North Macedonia has acted contrary to the OGP process for the 2023 cycle. However, the OGP Support Unit appreciates the delivery of your Action Plan in February 2024, and your proactive efforts in keeping us informed of the timelines for delivery. As your action plan was delivered before the end of February 2024 it will remain in the December action plan cycle, i.e. concluding on 31 December 2025.

Please be assured of our unwavering commitment to assisting you in implementing your current action plan and developing the next one, ensuring full compliance with all requirements.

Yours sincerely,

Sanjay Pradhan
Chief Executive Officer
