

**Resolution of the Criteria & Standards Subcommittee regarding the
participation status of Mexico in OGP
March 24, 2025**

The Criteria & Standards (C&S) Subcommittee extends its appreciation to the Government of Mexico for its engagement in OGP and recognizes the four action plans it has co-created to date.

In April 2024, the Government of Mexico was placed under Procedural Review due to failing to submit an action plan for two consecutive years (2022 and 2023). Furthermore, the government of Mexico did not deliver a new action plan by the December 31, 2024 deadline.

The C&S Subcommittee welcomes the Government of Mexico's ministerial commitment, as stated in its December 26, 2024 [letter](#), to submit a new action plan by December 31, 2025. Considering the ongoing efforts to co-create a new action plan, and recognizing the Government's high-level commitment to delivering a new action plan this year, the **Criteria & Standards Subcommittee hereby resolves to maintain the government of Mexico under Procedural Review** until a new action plan is submitted.

Failure to submit an action plan by December 31, 2025, **will result in this Subcommittee's automatic recommendation to the full Steering Committee to designate Mexico as inactive.**

The C&S Subcommittee remains committed to providing all necessary support to resolve this matter as soon as possible.
