Dear Sir,

NOMINATION/INVITATION TO THE MULTI-STAKEHOLDERS' FORUM (MSF), OPEN GOVERNMENT PARTNERSHIP

The Open Government Partnership (OGP) is an international multi-stakeholder project that aims to assist regional proponents of open government in implementing creative reforms. It acknowledges that the cornerstones of any contemporary, responsive, and adaptable government are cooperation, openness, and public involvement. In order to foster more open, responsible, responsive, and inclusive governance, it thus brings together governments, citizens, academic institutions, and organizations from civil society and the commercial sector.

The Tarkwa Nsuaem Municipal Assembly was enrolled into the OGP programme in April, 2022 after a competitive selection process. By joining the OGP, the Municipal Assembly commits to upholding the principles of open and transparent government by endorsing the Open Government Declaration.

As part of the requirements for the OGP program, the Assembly is required to constitute a Multi-Stakeholder Forum (MSF) to promote the OGP principles. This MSF would function as a standing consultative body that will assist in the preparation of the OGP Action Plan and its implementation.

In light of the aforementioned, you are therefore nominated to the Multi-Stakeholder Forum (MSF) in order to actively contribute your technical know-how and experience to ensure that the OGP principle of co-creation and participation is successfully implemented.

You are therefore kindly invited to an inaugural meeting scheduled for 11th October, 2022 at the Municipal conference room at 9:30am

For further information, kindly contact the Government Point of Contact (GPoC), Mrs. Amanda Pokua- Adjei on 0242235282.

We count on your fullest cooperation in this regard.

Thank you

HON. BENJAMIN KESSIE
